International Folk Dancing Appeals to Diverse Group of L.A.-Area Enthusiasts

**W**hat do some scientists, real estate investors and insurance account executives have in common?

Folk dancing.

"Folk dancing has an appeal for everyone," says master dance instructor Beverly Barr of the West L.A. Folkdancers.

"It's a particularly good activity for shy people because they don't have to talk. Singles like it because they don't need a partner."

Lee Weisman and Al Javor
