

## HASTE TO THE WEDDING

Source: English - Community Dance Manual #6

Record: 7EG 8533 - EFDSS - "English Folk Dances for Young People"

Formation: Sicillian Circle (couple facing couple)

A1. Circle left and right.

A2. Right hand star and back with the left.

B1. Back to back with contrary person, 2 claps, and 2 hand turn finish facing partner.

B2. Back to back partner, 2 claps, (no 2 hand turn), face contrary & pass through right shoulder.

Note: There is note in the directions that one couple make an arch and the other couple dive under. I have found it fussy and confusing so I generally omit it. There is no loss to the dance.
