

HIGHLAND REEL
(Scotland)

This is a 19th century elaboration of the much older "Scotch" reel.

Record: E.M.I. SZLP 2122 Jigtime with Jimmy Shand Side B/2
"The Black Dance". 6/8 meter.

Formation: Sets of three (1 M between 2 W) facing each other -
one set facing CW, the other CCW.

MeasPattern

1-8	Advance and retire twice.
9-16	Reels of three, the M dancing a L shldr reel with the W on his R and the W diag to his R.
17-24	The M with the same two 2 W circle with 8 slip steps to the L, then 8 slip steps to the R to finish in original positions.
25-32	Advance and retire once, then advance, dropping hands to pass R shldr with the person opp, to meet a new group of 3 people.
