Music - Record, #106, Kismet

1. Partners facing, holding hands across.

Man, left foot 3 steps and hop going forward, girl backward.

Repeat opposite direction.

Repeat, forward, but instead of hop, point across to the side, and close the foot with a click of the heels.

Hop on the other foot with each movement.

2. Girl places hands on hips, man folds arms across chest.

Each moves to his own right, with 3 step turns. Clap hands twice.

Return with same 3 step turn.

Balance forward, holding girls right, man's left, with man's right.

Balance back, and change places with girl going under man's arm.

From opposite sides, repeat action of 2. but on returning turns,

do it in place, thus ending up facing a new partner, you finish

the dance with, and start over again.
