} M faces the outside G and dances with her while the inside G stands and watches, doing nothing.

} run fwd. } M hooks R elbows with the outside G and they run CW around each other.

} run fwd } M leaves the outside G in her original place, and hooks L elbows with the inside G and runs CCW around her, ending up with both in their original positions and facing each other. The outside G watches while doing nothing.

17-32: repeat, starting dancing with the inside G and then going to the outside G. This time, though, M ends by running around Ccw to next pair of G's, to start the dance over with new partners.

[Alt: anyone not dancing can cut in at end by running between two G's before their new ptrn shows up.]
