(German)

Music and Source--Elizabeth Burchenal's Book, Folk Dances of Germany.

Record: The Folkdancer MH 3003.

Measures	Part	Pattern
8	I	Partners face, both hands raised gracefully overhead, and do a swaying waltz, balance in place. M starting to L, W to R.
8	II	Holding partner by upper arm, do heavy German style peasant waltz around circle. Finish with M's back to center of circle.
24	III	W push M to center of circle with 6 walking steps. M push W away from center, with 6 steps. Repeat.  There should be resistance in the push figure so it becomes a game.
