

AMERICAN SQUARE DANCES (continued)FLARE THE STAR

From any facing cpls, four-hand star about half way where lead person (M) Peels Off in a tight L turning loop to face back in. Others (W) continue to turn in a two-hand star back to their home pos where the M (her opp) courtesy turns her to face the direction from which she came. Equals a Flutter Wheel.

FLARE THE STAR FIGURES, by Jerry Helt
