Repeat 3 more times and you are home.

NOTE TO CALLERS FROM HARPER:

I have felt for a long time that some of the dancers feel like they could do a few things on their own without the caller telling them every step to make, and the GRAND COLONEL SPIN does this for them. It is timed perfectly if you are dancing to the beat of the music so dancers show what you can do, and have fun with it. This can be speeded up and still dance good. CALLERS: THIS IS ALSO A GREAT GRAND MARCH RECORD.
