MARCH 1966

Dear Readers:

Just one year ago Folkdance Scene made its bow with its 3-months trial subscription. Since that time we have, I am happy to report, grown considerably. From the first, 4-page issue we have "graduated" to regular 7-page editions. This month, what with camp information, special benefit parties, etc, we bring you an 11-page issue. From the original 64 subscribers, we have increased to 190. This is almost a 200% increase in readers. Our thanks for this must go to many people: to our subscribers for their support of this venture; to the Federation for picking up the tab (we still have not enough readers to be self-supporting!); to Bill Rosenthal, who conceived the idea of such a publication in the first place and has worked tirelessly for its success all this time (he gets no remuneration and has frequently contributed financially in many ways, along with his labor); to Ida Kulchin and Tom Slaven, who handle the mailing chores; to Laura Lippett and the Garden Grove Folk Dancers who were the first to help us increase our subscribers by putting subscription blanks in their club bulletin; to Westwood Co-op for also advertising "Scene" in their bulletin and for using subscriptions as door prizes on party nights. There are undoubtedly others to whom thanks must be due. If I have omitted anyone this was not intentional. A sort of "blank check of thanks" is herewith extended to everyone for their support of this venture. We hope our subscriptions will continue to grow way past our original goal of 200, and that "Scene" will continue to receive the cooperation of all folk dancers.

Soon it will be time for Statewide 1966 and this year's host is the Federation, North and the city of San Jose. A wonderful 4-day program is being planned for the enjoyment of all who attend. The headquarters hotel once again will be the Ste. Claire, corner of Market & San Carlos Sts. The dates are May 27-30. On Friday plans call for a kick-off dance at the Auditorium, followed by an after party and open house, probably at the HQ hotel. Saturday calls for an Institute, featuring expert teachers from both Federations; a
